

BC Achievement Indigenous Business Award

2023 SPONSORSHIP OPPORTUNITIES

ABOUT THE IBA PROGRAM

Partnering with the Indigenous Business Award (IBA) program supports Indigenous entrepreneurship throughout British Columbia. Celebrating its fifteenth year, the IBA program boasts over 220 remarkable businesses among its alumni. The award program serves to:

- raise the voices of Indigenous entrepreneurs and businesses who are building significant socio-economic opportunities and generating cultural resurgence across the province
- facilitate increased Indigenous representation in the business sector
- create a platform for sharing stories of resilience and ingenuity to help 'shift the narrative and deficit that are often at the forefront of news stories'
- foster strategic relationships with key partners that lend their support to elevating excellence and inspiring achievement in Indigenous business

The IBA program is presented by BC Achievement in partnership with the Ministry of Indigenous Relations and Reconciliation and generously supported by our sponsorship family.

Join us to celebrate Indigenous entrepreneurship in BC and elevate excellence, share success, and inspire change. Your commitment raises the stories of IBA awardees, invests in their achievements while shining a light on business excellence and innovation so others may follow their example.

SPONSORSHIP OPPORTUNITIES

Multi-year funding is encouraged and available to all sponsors. Recognition levels can be tailored to ensure messaging is delivered in line with your corporate social responsibility goals. All sponsors receive up to 12 months of visibility on BC Achievement's website and social media channels, including the Call for Nominations.
